**Status of C-4**

Once again, **Bill C-4 was not debated in the House on Friday.** Further, since the Projected Order of Business, which is a rough outline of the schedule of events in the House released each morning before a sitting, has not yet been released for Monday, October 17, it is unknown whether it will be debated then. Immigration and refugee issues were not discussed at any point on Friday. Rather, focus was on C-13, the *Keeping Canada's Economy and Jobs Growing Act*, and C-7, the *Senate Reform Act*.

**NB:** Due to next week being a break week in the house, the next Parliamentary Tracker update will be distributed on Tuesday, October 18.
